HOW NUTRITION PROGRAMS HELP

A safety net of programs helps low-income families in Pennsylvania put food on the table every day.

SNAP | 1,819 participants

1 in 8 residents receives SNAP

Formerly known as food stamps, the Supplemental Nutrition Assistance Program (SNAP) provides low-income residents with monthly food assistance to buy food at grocery stores, farmers' markets and small businesses.

SCHOOL MEALS

770 | Students receiving free or reduced-price lunch each day 357 | Students receiving free or reduced-price breakfast each day

Low-income children can qualify for free or reduced-priced meals at school through the National School Lunch and School Breakfast programs. However, only 46 low-income students eat school breakfast for every 100 who eat school lunch.

WIC (Women, Infants and Children) Program | 263 participants

WIC serves low-income pregnant women, new moms, infants and children up to age 5. They receive vouchers for healthy foods, nutrition education and health care referrals.

State Food Purchase Program | 1,397 participants

The State Food Purchase Program is a state-funded program that provides food to food pantries, soup kitchens and other charities to feed low-income residents.

STATEWIDE FIGURES

Summer Meals | 119,195 Pennsylvania children receive free summer meals

The Summer Food Service Program and Seamless Summer Option provide free summer meals to low-income kids when school is out.

Child Care Food Program (CACFP) | 129,443 Pennsylvania children participate each day The Child Care Food Program pays for nutritious meals and snacks for low-income kids in daycare, afterschool programs and homeless shelters.
