

Want to Raise Funds Online?

Complete the below form, and we'll create your fundraising page.

Online fundraising is a quick and easy way to raise funds for your program!

Here's how to get started:

- 1) Complete this form.
- 2) The Coalition Against Hunger will create a "team" page for your organization on the Walk Against Hunger website: www.hungerwalk.org. Your team page describes your program and tracks the total money raised for your team.
- 3) We will also create an individual page using your team captain's information from the Walk agreement and the email address provided below. ***Note:** You must provide an email address to complete your online fundraising page.
- 4) Your team page will allow individuals to create their own fundraising pages for your team.

Organization (Team) Name: _____

Email (to be used to create your page): _____

Phone Number: _____

2018 Fundraising Goal: _____

One sentence or phrase to describe your organization:

Want to add a photo or logo to your page? Email the image to tmahon@hungercoalition.org.

Next steps:

We'll email you links to your team page and your team captain's individual page.

NEW for 2018: Then you'll be able to update your individual page and friends, family and co-workers can JOIN your team online and make donations.
