

# STATE OF HUNGER

| PENNSYLVANIA 2013 |

Hunger profile:

## BLAIR COUNTY

Population: 127,099

### FOOD INSECURITY

What percentage of county residents are food insecure?

**12% | Food insecurity rate**

**20% | Child food insecurity rate**

People who are food insecure at times lack access to enough food for an active, healthy life.

### HOW NUTRITION PROGRAMS HELP

A safety net of programs helps low-income families in Pennsylvania put food on the table every day.

**SNAP | 21,110 participants**

**1 in 6 residents receives SNAP**

Formerly known as food stamps, the Supplemental Nutrition Assistance Program (SNAP) provides low-income residents with monthly food assistance to buy food at grocery stores, farmers' markets and small businesses.

**SCHOOL MEALS**

**6,762 | Students receiving free or reduced-price lunch each day**

**2,799 | Students receiving free or reduced-price breakfast each day**

Low-income children can qualify for free or reduced-priced meals at school through the National School Lunch and School Breakfast programs. However, only 41 low-income students eat school breakfast for every 100 who eat school lunch.

**WIC (Women, Infants and Children) Program | 3,674 participants**

WIC serves low-income pregnant women, new moms, infants and children up to age 5. They receive vouchers for healthy foods, nutrition education and health care referrals.

**State Food Purchase Program | 6,326 participants**

The State Food Purchase Program is a state-funded program that provides food to food pantries, soup kitchens and other charities to feed low-income residents.
