

STATE OF HUNGER

| PENNSYLVANIA 2013 |

Hunger profile:

POTTER COUNTY

Population: 17,453

FOOD INSECURITY

What percentage of county residents are food insecure?

15% | Food insecurity rate

24% | Child food insecurity rate

People who are food insecure at times lack access to enough food for an active, healthy life.

HOW NUTRITION PROGRAMS HELP

A safety net of programs helps low-income families in Pennsylvania put food on the table every day.

SNAP | 2,532 participants

1 in 7 residents receives SNAP

Formerly known as food stamps, the Supplemental Nutrition Assistance Program (SNAP) provides low-income residents with monthly food assistance to buy food at grocery stores, farmers' markets and small businesses.

SCHOOL MEALS

982 | Students receiving free or reduced-price lunch each day

477 | Students receiving free or reduced-price breakfast each day

Low-income children can qualify for free or reduced-priced meals at school through the National School Lunch and School Breakfast programs. However, only 49 low-income students eat school breakfast for every 100 who eat school lunch.

WIC (Women, Infants and Children) Program | 442 participants

WIC serves low-income pregnant women, new moms, infants and children up to age 5. They receive vouchers for healthy foods, nutrition education and health care referrals.

State Food Purchase Program | 4,398 participants

The State Food Purchase Program is a state-funded program that provides food to food pantries, soup kitchens and other charities to feed low-income residents.
